### Safer Internet Day 2013

Tuesday was Safer Internet Day. This is a national day to encourage anyone using the internet to be aware of safety precautions and safe internet use.

Pupils receive safety guidance and discussions in school, on how to be safe when using the internet, as part of their lessons.

We would be keen to know what access and ICT features, pupils are using at home, to ensure we are educating our pupils effectively around the technology that they are using.

It would be greatly appreciated if you can spend a few moments completing the following questions, so we are aware of the ICT equipment and accessibility that pupils have access to at home.

Thank you,  
Mrs K. Hill

.....

Child's name..... Base .....

1. Do you have a computer with internet access at home?

Yes  No
