## **Proposal of New School Uniform for Autumn 2018**

Green and Gold are Scalford School colours and we love them, but the staff feel that it is time for a change.

We would like to replace the gold polo shirt with a dark green polo shirt and the gold PE t-shirt with a green t-shirt. Both shirts will retain the same gold logo. Before we make any final decisions we want to consult with parents, carers and governors. To begin this process we have randomly selected some of our pupils who will wear the new polo shirt over the next three weeks. We will let you know who the children are and hopefully you will have the opportunity to see the new shirts being worn.

The parents/carers of the chosen children will be able to feedback on wash and wear, whilst the children will be able to report back on comfort and style. I believe dark green will look smarter (show less marks) and retain its colour. I would also like to reduce the number of suppliers, choosing the most competitively priced and best quality in order to minimise colour and quality variations.

I trust that you will embrace this change and I welcome feedback from all of you.

Kind regards
