Proposal of New School Uniform for Autumn 2018

Thank you everyone for taking part in the school uniform consultation. One of the most positive aspects of this process has been the engagement of our children and the raised awareness of showing pride in our school uniform. I have considered everyone's views via parent/carers and pupils questionnaires, emails from some parents, comments from pupils and a Full Governing Body meeting last week; I am now ready to make my decision, supported by staff and governors.

- 1) **The gold polo shirt will remain.**
- 2) **The gold PE shirt will be replaced by a green PE shirt.**

Gold polo shirt Feedback

The gold polo shirt and green polo shirt received an equal amount of support - The green was marginally more popular with the pupils and the gold was marginally more popular with parent/carers. A number of parent/carers support the idea of asking our local suppliers to carry stock of one brand of the gold polo shirt to help with the variation of the gold colour. We have looked at the current brands and found that the **Russell** brand holds its colour and is a smart vibrant gold. Although some parents would welcome the change from gold they felt that the green was lost with the green jumper.

Green PE shirt

The green PE t-shirt has proved to be more popular. It is marginally more popular with parent/carers but significantly more popular with the children. As with the polo shirt, we will ask our suppliers to carry one brand, which will be **Hubaco**. This will only be available from yourschooluniform.com or can be purchased from the school office.

Suppliers (websites are currently being updated)

- 1) www.bhmidland.co.uk/ , B & H Services, Norman Way, Melton Mowbray
- 2) www.yourschooluniform.com

We will contact the above suppliers and ask them to stock the relevant brand for our school. We anticipate that the PE shirt will be a gradual change as will the colour variation with the gold polo shirts. Please do not feel obliged to buy new school uniform for your children, secondhand uniform is perfectly acceptable.

We appreciate that some children have skin allergies which may influence the type of material that they can wear. We always put our children first so if you feel that there are any reasons why you cannot purchase the brand of clothing suggested, please pop into the office and we will work together to resolve any issues.

Kind regards
