

Scalford CE Primary School Newsletter

Final Newsletter of 2016!

Just a few important items ready for next term (please also keep checking our website for all updates www.scalford.leics.sch.uk)

- **Swimming** will commence on Wednesday 4th January for the children in Base 2 and Year 4. Children will be required to bring their swimming kit each Wednesday until Easter. Please ensure that all school clothes are labelled to avoid confusion in the changing rooms and also can we suggest that the girls wear school trousers on swimming days to avoid the fight with tights!

If your child needs to wear goggles, please contact the office for a goggles permission form. No jewellery is allowed to be worn in the pool, this includes earrings, so please ensure that these are removed before swimming.

We ask for a contribution towards swimming and will send out contribution requests when we return in January.

- Should the weather deteriorate as we return to school, we wish to remind you of the procedure if school needs to close due to snow.

The school website will be updated with the latest information www.scalford.leics.sch.uk and Radio Leicester will be contacted, so listen to 104.9FM who will give regular updates of school closures.

That just leaves us to say:

**Have a Very Merry Christmas
and a Happy, Healthy New Year.**
