Teamkit Fund Update

We have been overwhelmed with the response so far to our new Teamkit Fund! We currently have £740.00 that has been either donated or pledged to help us buy our brand new kit for the children to wear at tournaments and sports events. We'll update you in the weekly newsletter on our progress.

A huge thank you to everyone who has helped so far, we couldn't do this without you, but we still have a way to go. We would like to try and get as close to £1,000 as possible, so if you think you could help, please speak to Ginny Winder and she will provide you with the information you need. Don't forget if you have a company who could potentially help as a sponsor, we will put your logos and details on our website and any sports literature.

We are just in the process of finalising the colours and design for the kit and plan to let you see it as soon as possible!
