

Scalford CE Primary School Newsletter

Message from Mrs Waring

Please could we remind parents to keep an eye on their children when dropping off and collecting. Children should not play on the apparatus or chase around the playground because it increases the likelihood of an accident.

We will close the gate once the majority of parents have collected their children, any children left will be asked to wait inside school.

Year 6 SATS w/c Monday 14th May

Our Year 6 pupils will be sitting their SATs and have been working incredibly hard. It is a very tiring schedule and we ask that parents bear this in mind. All of the staff are very proud of the hard work that our Year 6's have been putting in, and we are confident that they will do their very best.

Please ensure:

- Children get plenty of rest in the evenings and a good nights sleep
- Arrive at school in good time, as tests will take place promptly at 9am
- Playground to be clear of parents by 9am.

Year 2's will be sitting tests during May, these will help to provide a picture of the children's ongoing performance and are used alongside teacher assessment.
