School Uniform and Dress Code Policy at Scalford C E Primary School

We believe that a school uniform encourages a sense of belonging and unique identity for our school children. We also like our pupils to dress smartly to show they have pride in their appearance. Staff at Scalford School strive to promote neat presentation in all areas, whether it's the way we dress, present the children's work or look after our school buildings.

We discourage make-up and nail varnish. If ear rings are worn they must only be a small stud type. Please note, children will be responsible for their own jewellery at all times. They will need to remove all jewellery before any physical activities, including swimming and keep them in a safe place. Staff should not be asked to be responsible for the safe-keeping of any jewellery.

Scalford School Uniform can be purchased from:		

- www.yourschooluniform.com - we have had a request from the company to advise parents to order uniform early so that if it does not fit you have chance to return it and get a replacement.
- [Clothing at Tesco](#) - you can also now order uniform through Tesco's Uniform Embroidery Service.
- B & H Midlands Services, Norman Way, Melton Mowbray - another place to purchase our school uniform.

It is important that children wear sensible, flat shoes. This is because they have to walk to and from the village hall every day. Slip on shoes or ballerina style are therefore not appropriate.

NAMED BAGS

BASE ONE: Pupils may bring a small rucksack to school to carry their PE kits, as this is much easier for them to carry than the traditional draw string PE bags.

BASE TWO AND BASE THREE: Pupils should bring a draw string bag to school to carry their PE kit.

COATS: Should be smart. A warm coat is recommended for the winter months. We also recommend a light waterproof coat during the warmer months as our British weather is so unpredictable and the children do walk up to the village hall every day, regardless of the weather (except in exceptional circumstances).
