

2018 Results

The Governors and Staff of Scafford School are pleased to report our Early Years, Year One, End of Key Stage One and End of Key Stage Two results.

Our cohorts are small and therefore one pupil has a significant impact on our results when judged purely as a percentage. Although we are very happy with the progress and attainment of our cohorts, our genuine pride lies within the individual progress each and every child has made.

Early Years Foundation Stage Profile: Good Level of Development

| Early Years | School | Leicestershire | National |
|---------------------------|--------|----------------|----------|
